

DON'T PLAY THAT SONG

I- Don't play it no more
Don't play it no more
Don't play it no more
No no no no no no no

Don't play that song for me
It brings back memories
Of days that I once knew
The days that I spent with you

Oh no, don't let it play
It fills my heart with pain
Please stop it right away
I remember just what it said

It said
(Darling I love you)
You Know that you lied
(Darling I love you)
You Know that you lied
(Darling I love you)
You know that you lied (you lied)
You lied, you lied lied lied lied

II- Remember our first date
You kissed me and you walked away
You were only 17
I never thought you'd act so mean
But baby

(Darling I love you)
You told me you loved it
(Darling I love you)
You told me you cared
(Darling I love you)
You said i'll go with you darling
Almost anywhere
But darling you know that

III- You told me you loved it
You told me you cared
You said i'll go with you darling
Almost anywhere
But darling you know that

(Darling I love you)
You Know that you lied
(Darling I love you)

You Know that you lied
(Darling I love you)
You know that you lied (you lied)
You lied, you lied lied lied lied

Don't play that song for me
It brings back memories
Of days that I once knew
The days that I spent with you

Oh no, don't let it play
It fills my heart with pain
Please stop it right away
I remember just what it said
It said

You told me you loved me
You told me you cared
You said i'll go with you darling
Almost anywhere
But darling you know that

(Darling I love you)
You Know that you lied
(Darling I love you)
You Know that you lied
(Darling I love you)
You know that you lied (you lied)
You lied, you lied lied lied lied
