

HELLO

I- Hello, It's me  
I was wondering if after all these years  
You'd like to meet  
To go over everything  
They say that time's supposed to heal ya  
But I ain't done much healing

Hello, can you hear me  
I'm in California dreaming about who we used to be  
When we were younger and free  
I've forgotten how it felt before the world fell at our feet

There's such a difference between us  
And a million miles

REFRÃO: (So)Hello from the other side  
I must've called a thousand times  
To tell you I'm sorry  
For everything that I've done  
But when I call you never  
Seem to be home

Hello from the outside  
At least I can say that I've tried  
To tell you I'm sorry  
For breaking your heart  
But it don't matter, it clearly  
Doesn't tear you apart anymore

II- Hello, how are you  
It's so typical of me to talk about myself I'm sorry  
I hope that you're well  
Did you ever make it out of that town  
Where nothing ever happened?

It's no secret that the both of us  
Are running out of time

"Adele"
