

BUBBLY

I've been awake for a while now
You've got me feeling like a child now
'Cause everytime I see your bubbly face
I get the tingles in a silly place

It starts to my toes and I crinkle my nose
Wherever it goes I always know
That you make me smile, please stay for a while now
Just take your time wherever you go

The rain is falling on my window pane
But we are hiding in a safer place
Under covers staying dry and warm
You give me feelings that I adore

It starts to my toes and I crinkle my nose
Wherever it goes I always know
That you make me smile, please stay for a while now
Just take your time wherever you go

What am I gonna say
when you make me feel this way
I just...mmm

It starts in my toes, makes me crinkle my nose
Wherever it goes, I always know
That you make me smile, please stay for a while now
Just take your time wherever you go

I've been asleep for a while now
You tucked me in just like a child now
Cause everytime you hold me in your arms
I'm comfortable enough to feel your warmth

It starts to my soul and I lose all control
When you kiss my nose the feeling shows
'Cause you make me smile, baby just take your time now
Holding me tight

Wherever, wherever, wherever you go
Wherever, wherever, wherever you go
