

## LOVE THE WAY YOU LIE

Just gonna stand there and watch me burn  
Well, that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well, that's alright because I love the way you lie  
I love the way you lie

I can't tell you what it really is  
I can only tell you what it feels like  
And right now it's a steel knife in my windpipe  
I can't breathe but I still fight while I can fight  
As long as the wrong feels right it's like I'm in flight  
I offer love drunk from my hate  
It's like I'm huffing paint and I love it the more I suffer  
I suffocate and right before I'm about to drown she resuscitates me  
She fucking hates me and I love it  
Wait, where you going  
I'm leaving you, no you ain't, come back  
We're running right back  
Here we go again it's so insane  
Cause when it's going good it's going great  
I'm Superman with the wind in his back  
She's Lois Lane  
But when it's bad it's awful  
I feel so ashamed  
I snap, who's that dude  
I don't even know his name  
I laid hands on him  
I'll never stoop so low again  
I guess I don't know my own strength  
Just gonna stand there and watch me burn  
Well, that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
well, that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
You ever love somebody so much  
You can barely breathe  
When you're with them  
You meet and neither one of you  
Even know what hit them  
Got that warm fuzzy feeling  
Yeah them chills used to get them  
Now you're getting fucking sick  
Of looking at them  
You swore you've never hit them  
Never do nothing to hurt them  
Now you're in each other's face  
Spewing venom  
And these words when you spit them  
You push, pull each other's hair  
Scratch, claw, pit them  
Throw them down, pin them  
So lost in the moments  
When you're in them  
It's the craze that the corporate  
Controls you both  
So they say it's best to go your separate ways  
Guess that they don't know you  
Cause today that was yesterday  
Yesterday is ove, It's a different day  
Sound like broken records playing over  
But you promised her

Next time you'll show restraint  
You don't get another chance  
Life is no Nintendo game  
But you lied again  
Now you get to watch her leave out the window  
Guess that's why they call it window "pain"

Just gonna stand there and watch me burn  
Well, that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well, that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
Now I know we said things, did things  
That we didn't mean  
And we fall back into the same patterns  
Same routine  
But your temper's just as bad as mine is  
You're the same as me  
But when it comes to love you're just as blinded  
Baby please come back  
It wasn't you, baby, it was me  
Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens  
When a tornado meets a volcano  
All I know is I love you too much to walk away now  
Come inside  
Pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk  
Told you this is my fault  
Look me in the eyeball  
Next time I'm pissed I'll aim my fist at the dry wall  
Next time, there will be no next time  
I apologize even though I know it's lies  
I'm tired of the games, I just want her back  
I know I'm a liar  
If she ever tries to fucking leave again  
I'mma tie her to the bed and set this house on fire  
Just gonna  
Just gonna stand there and watch me burn  
Well, that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
well, that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie
